

To All of our Northwest Harvest Volunteers,

I am struggling with how to let you all know the level of appreciation I personally have for all **YOU** did for our SSYC Northwest Harvest 2022 event.

YOU made it look so good. It was so good.

It went **SO WELL**.

Financially, we served **NWH** very successfully.

Thanks to you we kept costs down and income up.

The details are coming later as the board gets all the information they need.

And equally important, the people who participated, **OUR GUESTS** had a **GREAT TIME!**

Did you?

I did!

WE hit a home run, a hat trick, out of the park, a touchdown, an America's Cup, etc. event.

YOU – each of **YOU**, made this 2022 recovery from COVID years a **SUCCESS**.

Thank you so much!

Your club benefits so much by what you did!

Thank you so much.

Some of you know I had melt downs – and you picked me up.

For that I cannot thank you enough for helping me stay the course when the going got tough.

And to my hubby, Jer, who picked me up and had my back so many times this past 9 months, I can only say, **YOU'RE A KEEPER!**

Hugs and **CHEERS** to all.

Marie
